| | ALCOHOLIC BEVERAGE CONTROL. Senate Constitutional Amendment No. 4. Establishes Department of Alcoholic Beverage Control to administer liquor licensing laws in place of State Board of Equalization. Provides for Director of Alcoholic Beverage Control, appointed by Governor with Senate approval, subject to removal by Governor or by legislative majority. Makes offenses involving moral turpitude an additional ground for denial, suspension or revocation of liquor licenses. Establishes three-man board to hear appeals from department's decisions. Prohibits state manufacture or sale of liquor. Preserves consistent provisions of existing Alcoholic Beverage Control Act and existing license fee scale, until Legislature provides otherwise. | | AID TO NEEDY AGED. Initiative Constitutional Amendment. Increases monthly aid payments to aged persons who meet eligibility requirements of Welfare and Institutions Code. Fixes \$100 (instead of \$80 heretofore fixed by law) as maximum monthly payments and permits Legislature to increase, but not decrease, this amount. Provides that payments shall be regarded as income of the recipient alone. Appropriates money for state share of Aged Aid. | |

* A nonqualified political party having filed names of its presidential and vice presidential candidates and list of presidential electors with the Secretary of State under Sec. 3829, El. Code. Write-in votes.

Write-in votes on the presidential portion of the ballot, other than for the Socialist Labor Party and its candidates, were of no avail inasmuch as such votes were not supported by presidential electors.

The counties were not required to report such write-in votes. Several of the counties did report, but due to the many names for president and the many and varied combinations of names for president and vice president, publication thereof was considered useless and was not undertaken.
